Pythagoras Children's Academy gives children a strong academic, spiritual, and emotional foundation. In addition to core education, Greek language and Orthodox religion classes, PCA students come together regularly to receive Sacraments and celebrate Liturgies. We strive on building an atmosphere that allows our students to build social skills and develop confidence in their abilities of leadership and service. Our small class sizes and certified teachers are dedicated to catering to students' different learning styles to ensure that they stay engaged and understand what is being taught.

If you have any questions, please do not hesitate to contact us at 630-834-0477 or via email at eangelopoulos@pythagoraschildrensacademy.org . We look forward to hearing from you soon.

Sincerely,

Eugenia Angelopoulos
Principal of Pythagoras Schools
